Little Jewels Christian Preschool

RE: COVID-19 Update

Dear Parents and Guardians,

It is with a heavy heart that we must write today to make the announcement that due to the continuing COVID-19 developments and statewide restrictions, it is imperative that Little Jewels Christian Preschool remain closed through the remainder of the academic year. In closing the academic year, certificates of completion will be forwarded by mail to all graduating students.

Please watch for announcement as we come into the month of December 2020. It is our intention to be fully open on January 4, 2021.

May we remind all families to include various activities with their young children the type of activities which they experience at preschool: review of numbers, letters, the alphabet, books, puzzles, painting, glueing, coloring and writing... and plenty of exercise!

Just like you, your teachers and staff here at Little Jewels are really really missing everyone. Till things change and we are able to be together again, please do watch for updates and postings at [littlejewels.org](http://littlejewels.org) for the latest of news or changes for reopening.

God be with you.

**Pastor Simeon Strauser**

Little Jewels Christian  
Preschool Director
